

CRS ADVENTURES
CLIMBING WALL CONSENT FORM

At CRS Adventures we are committed to a process of learning through experiencing outdoor activities. We recognise that hazards and risks are real, and that they are an inescapable part of the path to challenge, adventure and fun. The safety of participants is our primary concern, therefore to re-assure you, we would like to make you aware of the following policy, which is designed to minimise potential hazards about a visit to CRS Adventures, Holne Park, Devon.

Our commitment to you is that risk is managed and minimised using the following best practice:

- CRS Adventures is licensed under the Activity Centres (Young Persons Safety) Act 1995 to provide specified activities under the headings: Climbing, Caving, Trekking and Water Sports
- CRS Adventures staff are trained and monitored to ensure that they operate according to our safe working practices.
- Our safety equipment will be in good working condition.
- Hazards and risks will be identified and communicated to participants before each activity.

Your commitment to us to help us manage and minimise the risks:

- Participants will actively take responsibility for their own behaviour.
- All activities are to be entered into willingly.
- Participants must disclose any medical conditions.
- Participants should understand the nature of the activities in which they are participating.
- Participants agree to abide by the expertise and decisions of the CRS Adventures staff.
- Participants should be suitably attired for use of the climbing wall.

DECLARATION

As participant I have understood the nature of the adventurous outdoor activity visit to CRS Adventures at Holne Park, Devon and agree to taking part.

I also agree that:

- I am fit to participate in the visit.
- I will comply with the commitment stated above.
- Under the Data Protection Act, I authorise CRS Adventures to file the information on this form for the sole use of this visit.

Insurance Disclaimer

The climbing wall is a physical and demanding sport which obviously has inherent hazards associated with it. Whilst CRS Adventures takes all necessary precautions to try to ensure the safety of all participants, unfortunately accidents will occur.

Each participant should familiarise themselves with the hazards and try to minimise these as much as possible by complying with CRS Adventures risk management guidelines.

The management accepts no responsibility what so ever for any loss or injury resulting from any persons involvement in the climbing wall. Furthermore, it is understood and agreed that individuals participate at their own risk.
